TERM 2 AND TERM 3

Would you like to know how life could be better?

These programs address the issues of ordinary people, struggling with everyday life. Everyone needs to understand the cause of our most basic struggles and find a solution to them.

These 10 week courses have a teaching segment aimed at impacting participants with truth, followed by interaction in a small group designed for personal application, accountability, and support with the healing power of community and God's love.

Search for Life

Why do so many contradictions exist in our lives?

Everyone needs to understand the power of our internal cry for **acceptance, value** and **belonging**. Search for Life identifies the causes of many human tensions and introduces participants to the **healing power of truth** in a caring and safe environment.

Topics include - Knowing who God has created you to be, The Arena and Pathway of Healing, The Cycle of Addiction, Shame V's Guilt, Why our family background is so foundational and Rebuilding the Truth of our Identity in Christ.

Making Marriage Better

Do you desire an opportunity to enhance or begin rebuilding your marriage?

Couples will learn and discover keys and strategies that will build strength into their relationship.

This program is open to all whether married, separated, divorced, engaged or single.

Valiant Man

Developing and maintaining a healthy sexuality is every man's battle. Valiant Man is about male discipleship and is designed to strengthen and restore the moral and spiritual integrity of a man.

Valiant Man challenges all men to fight for their own personal, moral and spiritual vitality and help other men fight for theirs.

Topics include - A Vision for Manhood, The Origin, Power and Purpose of Sex, The Cycle of Addiction, Retraining Your Brain, Guarding Your Heart & Realistic Expectations.

ENCOUNTER RETREAT

Experience God!

Why is an Encounter Retreat Important?

It provides an opportunity for each individual to have their own experience with God. Although the journey is personal and unique to each person, one absolute is that everyone can benefit from this experience.

An Encounter Retreat can be one of the greatest experiences you could ever have. The weekend is 24 hours of God's awesome power. We believe that when you encounter God, whether a new or mature Christian, you will find a renewed purpose as you begin to see the great destiny God has planned for your life.
