

# LIGHTHOUSE CHURCH COMMUNITY PLAYGROUP

## Further Information

Our Playgroup is run by Playgroup parents & carers. Parents/caregivers can volunteer to organise morning tea for the adults and/or setup/cleanup, as often (or not!) as desired.

Feel free to bring a friend and their children along and use the time to catch up with each other instead of upturning one of your own houses!

Each week, please sign the attendance sheet. We need to have an accurate record of participants in case an emergency arises (eg. Fire).

The cost is \$2 per family per visit, payable at the beginning of each week. First visit is free. This covers adult morning tea costs and other costs associated with the venue, toys etc.

Please bring morning tea and a drink bottle for your child/ren.

Please note that Lighthouse Playgroup is a NUT FREE zone for everyone.

We always aim to maintain a safe environment for adults and children but parents/caregivers are responsible for the supervision and behaviour of their children, especially as far as their interactions with other children are concerned. We totally understand that kids go through stages, which just means that you need to be near them during these developmental milestones! And please remember to keep children out of the kitchen area.

Health & Safety is a top priority. Please keep your child at home if they are unwell. Coughing, sneezing and green running noses are contagious!

Let us know if we can assist in any way or if you need support of any kind.

Please note too that Sunday services are on at 10am & 6:30pm at Wollongong and children's programs run during the services. Please accept our invitation to one of our services.

At the beginning of each term a newsletter will be made available, informing you of special events and any other relevant information about Playgroup for that term.

Air conditioning in summer, wide open spaces in winter!

We look forward to getting to know you and your family.
